

January 14, 1999

Dear John and Scott,

We want to thank Paveltich Electric for the excellent work that was done at Harvest Christian Church during our tenant improvement from 1996 - 1997.

We look forward to working with you in the future and please feel free to use Harvest Christian Church as a reference to those seeking electrical work with an outstanding company like yours.

Sincerely,

*Gary Corea*  
Gary Corea, Associate Pastor
